

A white sign is mounted on a blue wooden wall. The sign features a quote in black text, social media icons, and a logo. The sign is partially framed by a large red carnation flower at the top left and several light purple star-shaped flowers on green stems. The background is a blue wooden wall.

Always be kind to
everyone that you
meet and remember
that flowers bloom
when the sun
shines. They open
up because they
trust its warmth,
people do too.
