Thought of the day

The truth is this: you jump, you let go, thinking the world will somehow save you.

In your final moments, you rely on faith and hope, thinking everything will be ok but the brutal reality of it all is that all you do is fall.

When it comes down to it, no one can truly save you other than you so you must learn how to save yourself, you must learn how to fly even if it means overcoming the fear of the fall. ~James McInerney
